COBALT BOATS

A36BR

A36BR

Beginning to end, customer-centric luxury.

Find exactly the boat of your dreams.

The new Cobalt A36BR – the BR is for bowrider – brings a refined new version to so many different types of boaters that each will find exactly the boat of their dreams: sporty cruiser, massive bowrider, accommodating day boat, performance sportboat, in one exhilarating craft. Maintaining the distinctive look of the original A36, the A36BR offers a level cockpit floor for comfortable cockpit seating, along with the deep and spacious bow area that gives it its name. In addition to deeper bow seating, the A36BR provides the award winning Cobalt ride in a quiet running experience via improved sound insulation and sealing of the engine compartment. Matching the original A36 coupe's performance and handling, the A36BR shares an extended running surface that makes both models exceptionally smooth and stable at high speeds.

A few particular traits of the A36BR jump at first look. The panoramic side windows in the hull bring the outside in and reflect the envious stares of dock side passersby. Other thoughtful comfort touches include optional stadium bow seating with inward-facing armrests, and dedicated self-draining storage areas under the bow cushions. The cabin lies below the helm. At once snug and expansive, with a sofa stretching out and swiftly changeable to a berth capable of sleeping two adults. The port side head compartment looms enormous, ready to double as a shower. Noteworthy options range from a bow sail shade to a protected cockpit pop-up TV and a full-function galley.

Available in meaningful twin-engine configurations, with or without joystick control, the A36BR means power as needed, control as desired, luxury and comfort as expected. And, to top it off – literally, the hardtop is immediately self-explanatory in its popularity.

Begin where you like. End where you belong. As captain of the new Cobalt A36BR.

A36BR

Beginning to end, customer-centric luxury.

Find exactly the boat of your dreams.

SPECIFICATIONS

Length Overall w/ Swim Platform	35' 11"	10.95 m
Beam	11' 2"	3.40 m

Deadrise at Transom	22°	22°
Fuel Capacity - Gasoline	189 gal.	715 L
Freshwater Capacity	27 gal.	102 L
Holding Tank Capacity	10 gal.	38 L
Bridge Clearance	9' 1"	2.77m
Draft Drive Up	31"	0.78 m
Draft Drive Down	42"	1.07 m
Dry Weight	16,000 lbs	7,257 kg
Boat Certified Capacity	Yacht Certified	
Boat Certified Capacity w/gear	Yacht Certified	

VOLVO PENTA STERNDRIVE POWER

Twin V8-380CE DP	380 hp	283 PkW
Twin V8-430CE DP	430 hp	321 PkW

STANDARD EQUIPMENT

Dash and Instrumentation

- Compass, Digital
- Depth & Water Temp Pkg.
- Digital Spyder Controls
- Glass Cockpit, Garmin 7612
- Premium Black Leather/SS Steering Wheel

Engine Options

- Active Corrosion Protection
- EVC w/PTA & Cruise (Volvo)
- Trip Computer (Volvo EVC)

Stereo

- Custom Acoustic Speaker Covers
- iPod/USB/MP3 Port
- Premium Sound System w/Transom Remote & Spkr.
- Stereo Remote, Dash

Exterior

- Bow Rails, Stainless Steel
- Dinette Table, Cockpit
- Direct Bond Edge-Style Windshield
- Fender Clips w/Line (6)
- Hard Top Sunroof
- Motorbox Actuator, Electric
- Snap-In Carpet, Cockpit
- Stainless Steel Cupholders
- Swim Platform w/Ladder, Hydraulic
- Transhield Shipping Cover
- Transom Storage Locker(s)

Interior

- Cabin Skylights
- Cabinetry, Gray Driftwood
- Fiberglass Liner w/Sea Grass Floor Cover
- Head w/Sink & VacuFlush Toilet
- Integrated Cabin Filler Cushion
- LED Overhead Lighting, Cabin
- Panoramic Cabin Windows
- Suspended Cabin Headliner

Structure / Safety / Performance

- 10/5/3 Year Warranty Protection
- Battery Charger, 60 amp
- CO Monitor
- Composite Floor
- Composite Transom
- Fiberglass Cockpit Liner
- Fiberglass Stringer System
- Fire Extinguisher(s), Manual
- Galvanic Protection
- Ignition Safety Switch
- Kevlar Reinforced Hull
- Shorepower-110v, Dual 30 amp
- Tool Kit
- Trim Tabs, Electric w/Autoglide System
- Windlass, All Chain w/Anchor

OPTIONAL EQUIPMENT

Canvas

- Bow Tonneau Cover
- Electric Sureshade
- Full Canvas Enclosure Package
- Shade Sail, Bow

Dash and Instrumentation

- Compass, Magnetic
- Glass Cockpit w/16" Dual Screen Upgrade
- Radar, Garmin 24" HD Dome w/KVH & Shelf
- Radar, Garmin 24" HD Dome w/Shelf
- Radar, Garmin 48" Open Array w/KVH & Sh
- Radar, Garmin 48" Open Array w/Shelf
- VHF Radio w/Antenna
- Windshield Wiper, Stbd.

Engine Options

- Autopilot (Volvo)
- Joystick Sterndrive w/E Key (Volvo)
- Ocean-X (Volvo)

Stereo

- Cabin Entertainment Package (TV/DVD)
- Platinum Sound System
- Satellite Radio System
- Satellite TV (Coastal)
- Satellite TV (Inland)
- Satellite Weather System
- TV Antenna & Cable Hook-Up
- TV w/Lift, Cockpit

Exterior

- Barbeque Grill, Cockpit (w/Galley only)
- Bow Entertainment Pkg.
- Bow Port Console Armret
- Cockpit Seat, Stbd.
- Docking Lights-Stainless Steel

- Equipment Shelf (Hardtop mounted)
- Flagpole w/Flag
- Floor Covering, Sea Grass-Cockpit
- Fresh Water Washdown, Bow
- Galley w/Sink, Cockpit
- Hard Top Sliding Hatch (manual)
- Hard Top w/LED Tri-Color Lighting
- Refrigerator, Cockpit
- Sof-Trac Mat, Cockpit
- Sof-Trac Mat, Swim Platform
- Spotlight, Remote
- Swim Platform Transom Lighting
- Teak Swim Platform
- Transom Shower
- Transom Tilt Switches (twin)
- Underwater Lighting

Interior

- Air Conditioning/Heat Self-Prime,Cockpit
- Air Conditioning/Heating, Cockpit
- Floor, Teak (Bow, Cockpit, Walk-Thru)
- Gray Water System
- Head w/VacuFlush, Macerator
- LED Interior Accent Lighting (RGB)
- Remote Courtesy Lights w/key fob
- Throw Pillows, Weighted (10)
- Throw Pillows, Weighted (4)

Structure / Safety / Performance

- Captain's Call Exhaust-twin
- CE Requirements
- Chain Counter for Std. Windlass
- Fire Extinguisher, Automatic System
- Generator (Gas) 6.5kW
- Shorepower-220v, Dual 30 amp

Only A Cobalt.

America's Boat-Building Experts.

There's really nothing quite like a Cobalt. Since its first day on the water over 50 years ago, only a Cobalt has inspired a sense of ownership synonymous with accomplishment. With a reputation earned over the years as America's boat-building experts, Cobalt's commitment to standard-setting performance and luxury continues to make it much more than just a purchase – it's a destination. From the moment you know you want one to the moment you finally own one, nothing should compromise your life's pursuit. Only a Cobalt – three words poised to define the next generation of boat owners

The best made boats in America. It's been said the best boat builders you can find anywhere, are found in Neodesha, Kansas. This is where you'll find real boat people. Passionate boat people who understand how hard their customers have worked to have the very best. Yes, you'll find them here, square in the middle of this great country. Only here can be found the unique combination of innovation, craftsmanship, passion and values that can deliver on Cobalt's promise - to Compromise Nothing in delivering to its customers the absolute best boat in America.

A Step Ahead.

Customer Inspired Innovation.

Cobalt's reputation for innovation is grounded in its commitment to stay a step ahead of what the most discerning boaters demand.

From a relationship like no other – owners and their boats – comes innovation like no other. It's the promise each Cobalt boat makes to its owner. The same promise Cobalt has made, to bring unsurpassed innovative functionality to the boating marketplace.

Always copied, never outdone. With this proven reputation in design and engineering innovation, it's no surprise that time and time again, other boat manufacturers have seen fit to copy the thoughtful design and functionality that have always defined a Cobalt boat.

- The Cobalt Splash & Stow system of the A29 for handling and storing large yacht-style inflatables
- A Cobalt first: the integrated bow eye with a scuff plate for protection from trailer marks
- Stainless steel adjustable poles to secure and tighten bimini tops with our innovative build-in turnbuckle – no fabric straps here
- Flip-lip seat bolster – the ability to sit higher, with unobstructed views above the windshield
- **Brand New!** Patent pending E-Step Electronically Powered Swim Step. At push of a button, the step folds into the water or returns from the water to the stowed position
- **Brand New!** The Surf Gate™ wave is the best on the water from cleanliness, push and height of wave.

Meaningful. Memorable.

Finely Detailed Interiors.

As the best made boat on the market, there are plenty of attributes to point to as being *definitely* Cobalt. That said, ask a Cobalt owner what stands out about their boat, and you're likely to hear, "Oh, the details!"

Just glance at any Cobalt cockpit to witness the full effect of a Cobalt interior – straight, smooth, uniform and unmatched attention to detail – and the warmth and feel of premium materials throughout.

Moving to the helm - where strength meets style – rock-solid fiberglass substructure rides beneath upholstered good looks. The Cobalt Glass Cockpit touch-screens offer a level of control and information borrowed from aircraft designers. Stainless steel switch mechanisms are firm, sure and sturdy.

Butter-soft and bull-strong, Cobalt upholstery is as tactile as they are easy on the eye. Always double-fastened with both adhesives and staples, and stitched with meticulous precision. Underfoot, the carpet, Seagrass flooring or Sof-Trac marine mats are rubber-backed, backed again with skid-resistant, no-flex composite flooring under all.

Notable Meaningful and Memorable Interior Details

- Cobalt Glass Cockpit with touch screen displays
- Aircraft-inspired stainless switches
- Precision-sewn interior details
- Seats that convert to a sun lounge
- Deep bow and cockpit seating
- Hand-crafted helm with detailed, quilted, double-stitching
- Fresco Chil Vinyl on darker interior colors that stays 15 to 20 degrees cooler than traditional vinyls

The Making of a Legendary Ride.

Exceptional Construction.

The famous Cobalt hull means handwork, with every layer rolled by skilled craftspeople. Extensive number of layers on the hull bottom, overlapped at the keel to double the number of layers. Reinforced with Kevlar and then strengthened further with Spraycore, the hull's structure hardens into the critical component of the legendary Cobalt ride.

Because the quality of the mold depends on the quality of the finish, hand-waxing follows after every other part. Old finishes are reworked after every ten parts, and no unsightly marks are left behind. Finally, every Cobalt hull cures in the mold, well beyond normal industry standards, ensuring integrity, flexible strength and year-to-year dependability. Curing longer in the mold also gives a better mirror-like finish by reducing any distortion from the heat created during the chemical reaction of curing.

Cobalt longevity is obvious to all who know the brand. Some of the reasons for this might not be so obvious. Invisible composites – light and strong – compose every Cobalt transom. No wood in the transom, and no wood either in the polypropylene structural honeycomb of the floor. Also no wood in the water-impervious seat bases, nor in the all-fiberglass stringer grid where a methacrylate bonding compound adds lifelong permanence.

- Z-Thane strengthening, protective barrier coat in the hull.
- Completely hand-laid hulls, reinforced with Kevlar™ at the keel.
- Hand-lamination, with extensive number of alternating fiberglass mat and woven roving layers, and double thickness overlap at the keel.
- Honeycomb composite floor – rot proof strength with improved sound and vibration dampening. Composite construction of stringer grid and all structural components.
- Exceptional stainless steel hardware, over-sized and strong.
- Deep and strong graphics in the gelcoat.
- Integrated bow eye with a scuff-plate for added protection.

The Cobalt Transferable Warranty.

Peace of mind.

TEN YEAR STRUCTURAL WARRANTY

Hull & Deck Structure: Hull/deck joints, bulkheads, floor, transom, stringers, motor mounts

Transferable: Fully transferable

FIVE YEAR BOW TO STERN COMPONENT WARRANTY

Components: All components manufactured or purchased (excluding hull and deck structural components)

Canvas: All canvas

Upholstery: All upholstery

Transferable: Fully transferable

THREE YEAR GELCOAT FINISH WARRANTY

Transferable: Fully transferable

*SERVICE ASSIST - UP TO \$100 PER CLAIM

On-Water Towing: Applicable to Cobalt 5 year Bow to Stern Component Warranty or Engine Manufacturer Warranty

Hoist/Lift Out: Applicable to Cobalt 5 year Bow to Stern Component Warranty or Engine Manufacturer Warranty

Haul-Out: Applicable to Cobalt 5 year Bow to Stern Component Warranty or Engine Manufacturer Warranty

Dockside Repair Call: Applicable to Cobalt 5 year Bow to Stern Component Warranty or Engine Manufacturer Warranty

ENGINE WARRANTY – MANUFACTURER DIRECT

Volvo Penta Stern Drive: 2 + 3 Factory Protection Program – North America only (outside North America 2 Year Warranty)

MerCruiser Stern Drive: Five (5) Year Power of Protection Warranty - US and Canada only (International Coverage is regional)
