SPORT S 248

Step aboard the S 248 and have your expectations shattered with feature-packed amenities and luxurious fit and finish.

With a single Yamaha® engine, this 25' 8" entry-level Pursuit is the definition of class-leading. Designed to cater to anglers, the in-floor fishboxes, ample storage bays and spacious aft cockpit are sure to impress. The generous over-sized fiberglass hardtop with full windshield over the center console will protect from the weather when you are running and the sun when you are anchored. Even details like our patented folding aft seat and easy-pull slide out for your cooler demonstrate that nothing was left to chance.
